

# CON 20 Premium

CONVECTORS

PRODUCT-NO.: 237833

## Precision heating with style

With this direct heater, you enhance your room in two ways. The appliance not only provides pleasant heat, but also blends in perfectly with your interior décor thanks to its high quality design. So you don't have to choose between warmth and style.

## Flexible heat control

The wall mounted convector also plays to its strengths when it comes to convenience. Use the weekly timer to set a precise temperature for several days, or adjust the temperature spontaneously at the touch of a button for anything from ten minutes to two hours. When you air the room, the appliance switches off automatically.
