

## DHC 6 XG (IN)

### MINI INSTANTANEOUS WATER HEATERS

A slimline design with a depth of just 7.3 cm if space under your sink or washbasin is limited, along with the highly durable copper tank. The multi-point unit is suitable for bathrooms with several draw-off points, e.g. washbasin, bath and shower.

Choose from various colours: a white casing for the 4000 watt version or silver casing for the 6000 and 8000 watt models.

#### The main features

Temperature adjustment via stepless power control

---

Sufficient hot water for multiple draw-off points

---

Corrosion-resistant copper heating element and tank

---

Extra slimline design with a depth of just 7.3 cm

---

Anti-scalding and overheating protection with thermal cut-out

---

Protection from electric shock with Earth Leakage Circuit Breaker (ELCB)

---

Protection class IP25 (splash-proof)

PRODUCT-NO.: 236217

**DHC 8 XG (IN)**

Product-No.: 236218

Type	DHC 6 XG (IN)	DHC 8 XG (IN)
Part no.	236217	236218

## Technical data

Height	342 mm	342 mm

## **Installation information**

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
