

GLACIER WATER PURIFIER (IN)

DOMESTIC USE

PRODUCT-NO.: 239503

The ideal choice to ensure flawless hygiene in your kitchen, the Glacier RO water filter includes:

- Eco-friendly reverse osmosis (EFRO) patented membrane reduces the ratio of wastewater to 50 % of the feedwater
- Generous capacity and high grade storage tank (4.4 gallons)
- "Twist system" for easy filter replacement

The main features

Eco-friendly reverse osmosis (EFRO) patented membrane reduces the ratio of wastewater to 50 % of the feed water

Saves space while maintaining maximum filtration performance

Antibacterial silver ions provide double protection of the water filter

Generous capacity and high-grade storage tank (4.4 gallons)

The most compact and lightweight RO water purifier on the market

German engineering with 60 % less pipework than traditional models

"Twist system" makes filter replacement very easy with no tools required.

| Type | GLACIER WATER PURIFIER (IN) |
| Part no. | 239503 |

Technical data

| | |
|-------------------------|--|
| Height | 420 mm |
| Width | 385 mm |
| Depth | 165 mm |
| Weight | 3.5 kg |
| Filtration stages | 5 Stage |
| Filter stage 1 | Sediment filter - 1 μm |
| Filter stage 2 | Activated carbon block - 0.5 μm |
| Filter stage 3 | EFRO RO diaphragm - up to 0.0001 μm |
| Filter stage 4 | Granulated activated carbon with silver impregnation |
| Filter stage 5 | Mineral ceramic balls |
| Nominal flow rate | 2 l/min |
| Max. operating pressure | 4 bar |
| Temperature range | 4 - 35 $^{\circ}\text{C}$ |
| Min. operating pressure | 1 bar |
| Max. flow rate | 2 l/min |
| Maximum water pressure | 4 bar |

| | |
|-----------------------|------------------|
| Rated voltage | 220 V |
| Electrical connection | 1/N/PE~220-240 V |
| Draw-off option | Swan neck tap |
| Colour | white |
| Installation type | Undersink |
